What You'll Be Doing

Here are the job types you'll receive daily:

- **Product Testing:** Share your feedback on products.
- **Virtual Assistance:** Assist with simple tasks like scheduling and data organization.
- **Surveys:** Complete straightforward surveys.
- **Freelance Writing:** Write short articles or pieces of content.
- **Transcription:** Simple tasks to get you started.
- **Data Entry Jobs:** Organize and input data with ease.

These tasks are simple, flexible, and tailored for anyone looking to earn without needing prior experience.

How It Works

1. Subscription and Setup

To begin, follow these steps:

- Pay a one-time **KES 200 subscription fee** to **0712491052 (Belinda)** via M-Pesa.
- After payment, confirm by:
 - **Emailing us** at netchucker254@gmail.com, or
 - **Calling/SMS us** at **0712491052**.

2. Verification and Onboarding

Once we verify your payment, you need to provide:

- Your **email address** for receiving daily tasks.
- Your **M-Pesa number** for receiving payments after task completion.

3. Receive and Complete Jobs

- After setup, you'll start receiving job assignments directly in your email daily.
- Complete the tasks and submit them as per the instructions provided.

4. Payment Processing

- Payments of **KES 700 per task** are processed directly to your M-Pesa number upon successful task verification.
-

Getting Started is Easy!

1. **Pay the Subscription Fee:**

Send **KES 200** to **0712491052 (Belinda)** via M-Pesa.

2. **Confirm Your Payment:**

- **Email us** at netchucker254@gmail.com.
- Or **Call/SMS** us at **0712491052**.

3. **Provide the Following Details:**

- Your **email address** for receiving tasks.
- Your **M-Pesa number** for payment processing.

4. **Start Earning:**

After verification, you'll start receiving jobs daily. Complete and submit them to earn **KES 700 per task**.

Key Notes

- Ensure your email is active and regularly checked to avoid missing assignments.
- Use the same M-Pesa number for payments and subscription confirmation.
- Tasks are straightforward and require no prior experience.
- Delayed or low-quality submissions may affect your ratings and job flow.
